HANDY TIPS TO KEEP IN MIND

» Changes to Medicaid Health Provider (MHP) and Primary Care Physician (PCP)

- You have 90 days to change your MHP if you are dissatisfied. After 90 days, you must wait until your next open enrollment period.
- You can change your PCP at anytime
- Call 888-367-6557 or visit www.healthcare4mi.com
- Please chose an MHP or PCP before calling or going online

» Your open enrollment period is the last digit of your case number. For example, if your case number is xxxxxxx8, your open enrollment period is the eighth month, August.

» You must report if you move or change jobs on MiBridges or call your caseworker or you risk losing coverage.

» If you need transportation help, call your Health Plan or caseworker for transportation options available with your Medicaid plan.
